# TYPES OF LISTENING

**PREPARED BY**

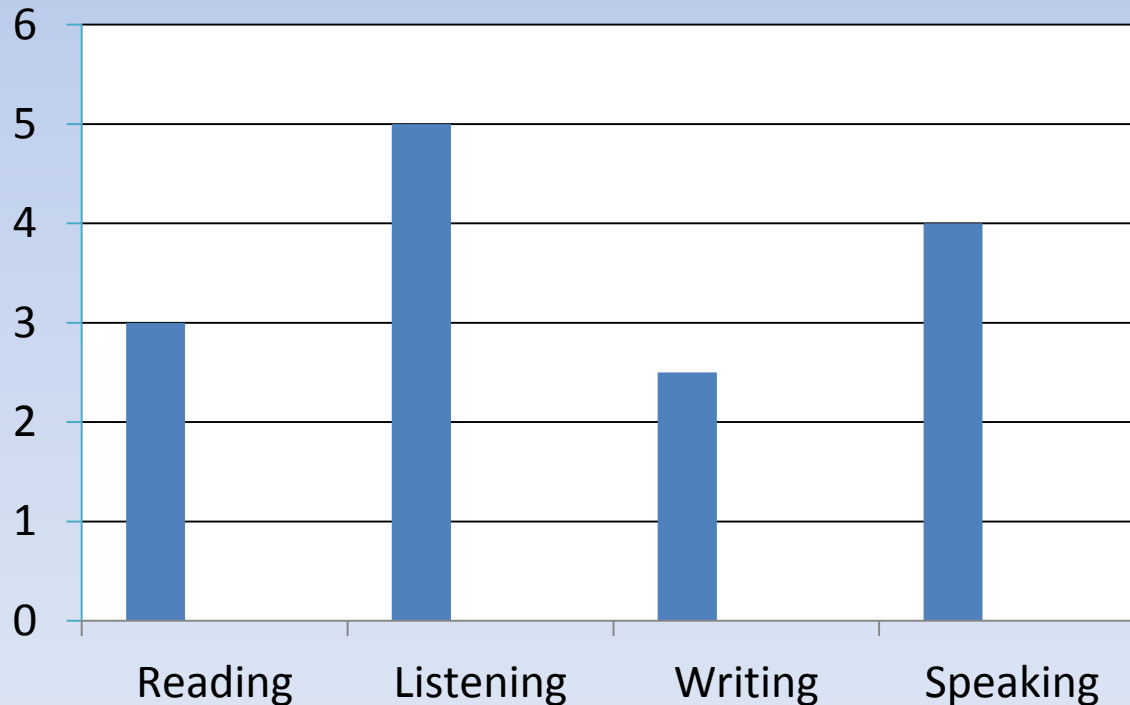

**ENROLLMENT NO.**

# Presentation Objectives

- Intro to listening.
- Types of Listening.
- Outcome

# What is Listening ?

- To Receive, Interpret & React.
- Focus and Attention are mandatory.

# TYPES OF LISTENING

EMPATHETIC

COMPREHENSIVE

SELECTIVE

CRITICAL

DISCRIMINATIVE

APPRECIATIVE

# 1. Empathetic Listening

- To understand person's emotions or feelings.
- Active listening.
- Mutual understanding.
- Builds trust and respect.
- Be alert and not distracted.

My dad lost his job in Dubai.  
My mom is not working. I am  
not sure if I can enroll next  
year. I don't know what to do.  
I feel so hopeless.

If I hear you correctly, You  
are worried about the  
financial situation of your  
family since this might affect  
your studies.

## 2. Comprehensive Listening

- To get idea or information.
- Informative listening.
- Try to Comprehend.
- Need of summarise power.

We are here to get information and to improve our knowledge so we are listening carefully.

### 3. Selective Listening

- Lack of interest level.
- Not advisable.
- Missed out important part.
- Listening to announcements for specific information

Only listen to  
selected songs

Only listen to  
Sandeep  
Maheshwari

## 4. Critical Listening

- Critical thinking and judgment.
- To evaluate conversation.
- Reach to particular decision.
- Be attentive and active approach.
