

Unified Sentence

“A sentence or paragraph having the quality of oneness that results when all the words and sentences contribute to a single main idea.” • It must have a single focus and it must contain no irrelevant facts.

Unified Paragraph

A key quality of an effective paragraph is unity. A unified paragraph sticks to one topic from start to finish, with every sentence contributing to the central purpose and main idea of that paragraph.

Techniques of Unified Sentence/Paragraph

1.Coherence

Every line of paragraph should connect to each other.

2.Cohesion

It means that every paragraph should link to each other.

3. Clearance

Everything must be clear in every sentence and paragraph.

4. Transitional Hook

In paragraph, writer does not focus on one idea in all paragraphs, because writer expands essay according to its condition. Writer cannot bring sudden change in paragraph. So writer will bring a bit of turn in paragraph. This turn is called transitional hook.

5. Reversal Hook

It means that first lines of next paragraph should be linked to the ending lines of previous paragraph. One idea in one paragraph is necessary for good impression on reader.

6. Clustering

Link between ideas is called clustering. Writer convey a clear message to reader through clustering.
