Q4. Summarize the following passages. /10

(i). The English were not the first Europeans to land their ships on American soil. The Vikings had discovered North America in the 11th century. Columbus landed in the Bahamas in 1492 for Spain, and the French began expeditions to the New World in 1524. But the first English presence in North America is important because the thirteen English colonies that would later be established eventually became the country now known as the United States of America.

(ii) Philosophy of Education is a label applied to the study of the purpose, process, nature, and ideals of education. It can be considered a branch of both philosophy and education. Education can be defined as the teaching and learning of specific skills, and the imparting of knowledge, judgment, and wisdom, and is something broader than the societal institution of education we often speak of.
