About the course History (South Asia)
<p>This course is designed to develop awareness among the students about the intellectual heritage in South Asia. To inculcate historical consciousness about South-Asia and to develop among students a holistic historic vision of South-Asia History.</p> <p>The course will deal briefly with the dawn of Indian civilization, political fragmentation of South-Asia, the Classical age, the Muslim Rule and the rise of the British East-India Company (1740-1857)</p>
