

MAGNESIUM MURIATICUM

MENTAL PICTURE

DR. RAHI NAGDA
MD PART 2
MATERIA MEDICA

THEME

- × REJECTION, REPRESSION, DIS-SATISFACTION
- × MAG: infantile dependence and forsaken feeling
- × MUR: betrayal of trust and faith
- × MAG MUR: trust and faith in the people he depends upon will be betrayed and will be disappointed

Human being needs love, care, security and recognition which binds life together

Mag people don't receive love and care right from childhood

Feels REJECTED from parents/ relatives

lack of love, dis-satisfaction, negativity, hostility, hatred, anger, sadness

This feelings never react or back answer, go on bearing sufferings

- × **CALM, QUIET, NON-COMMUNICATIVE**
- × **ORPHAN FEELING/ NEGLECTED FEELING/FORSAKEN FEELING**

- × **H/O being neglected by parents, being unwanted by parents**
- × **Eg: (1)unwanted female child when parents wanted male child**

(2)Loss of father/mother at early age

- ✗ So such people becomes SELF-SUFFICIENT, NON-DEMANDING, REPRESSED their emotions
- ✗ Deal with negative emotions by repressing them
- ✗ Expression through: (1) Dreams
(2) Delusions
(3) Pathology
- Eventually develops sour temperament/ bitterness not hard/horny but **dis-satisfaction** shows through sour facial expressions: kind of anguish
- Sensitive to confortations

PACIFISTS ➡

Always trying to make peace

Wants others to be happy and satisfied

▪ **STRONG SENSE OF DUTY** ➡

Over-load themselves with many tasks

Becomes anxious, nervous, restless, fidgety

Unable to keep up demands

sleeplessness

Break down into weeping which ameliorates,
hysterical fits, irritable, depression

Introverted : in order to avoid being hurt, they
close themselves off

- They depend lot on their friends whom they can trust and who care for them but they feel they will be let down and disappointed by their friends

Delusion, that he is friendless: there's no one
whom he can trust

- Becomes unfriendly, unsocial, repulsive, taciturn, inexpressive, irritable, answers in monosyllabus

- ✖ Doesn't express due to feeling of dependence
- ✖ Like company of small children and animals; they will respond to their love and will not let down, disappoint/betray them
- ✖ Coped up stage: seems self-depended (busy with himself) and friendly goes out of his way to care ; does a lot for others
- ✖ Feels no matter what he does will have no friends
- ✖ Very **reserved**: keeps a distance from people; doesn't reveal emotions

× **DREAMS**: (1) Plenty of dreams

(2) No dreams

× **Dreams**: (1) of robbers

(2) of dead

(3) falling into water

(4) fire

(5) lost in forest

(6) unsuccessful efforts

PHYSICALS

- ✖ Hot patient, desires open air
- ✖ Blackish staining menses
- ✖ Acne before menses
- ✖ Oily face
- ✖ Desires: vegetables, meat, sweets
- ✖ Aversions: meat, salt
- ✖ Aggravated by milk

RUBRICS

- ✖ Delusion, that he is friendless
- ✖ Forsaken feeling
- ✖ Company, aversion to
- ✖ Conversation aggravates
- ✖ Indolence, aversion to work
- ✖ Introspection
